OUR STORY

Exquisite taste, elevated quality and a refined sense of luxury are the principals on which Decor Guildd was founded. Using classical references as a starting point but always infusing them with an elegant, contemporary touch, Decor Guild has nearly 5 decades of experience in the world of textiles and interior textiles. Today, Decor Guildd has carved a name as a premium fabric decor company: one that has found its place in the hearts and homes of discerning customers across the world.

OUR VISION

Soon Decor Guildd started importing fine drapery and upholstery fabrics from both Europe and the USA, slowly building up a business to become truly international. Now the company has established a Pan Indian and worldwide distribution emanating from its new head-quarters in Gurgaon. Serving the needs of a cosmopolitan audience demanding elegant, contemporary design in the best possible quality. Rich textures, sophisticated colours and classic design characterise textiles that speak of timeless appeal and refined taste.

OUR TEAM

Together with their clients, the team at Decor Guildd creates spaces that tell stories, conveys emotion and begets unique environments. Each project is an opportunity to discover a new style, to create a new idea, a unique combination in tune with the clients personality.
