VISION COLLECTION

ABOUT VISION

Stylish Home for Better living

AD Blinds presents Vision Collection, a collection of 120 interior blind fabrics carefully chosen for various colours and textures to suit every home.

The vision collection is divided into four products, *Sonatine, Solarette, Triton and Vertilite Blinds*. Each product is divided based on Light-filtration which is Pellucid and Room darkening collections.

Room Darkening Collection

This collection has opaque or semi opaque fabrics which allow minimum light filtration which darkens the room.

Pellucid Collection

This Collection has translucent fabrics which typically soften and filter sunlight and allow moderate light filtration
